SENIOR CANPOWER

With the completion of this program, the WCSC would like to invite you to take a few minutes to answer the short survey that was emailed to all Senior Canpower participants. The WCSC is continually striving to improve our service and provide our membership with excellent programming. Your feedback is essential in how we can continue to best serve our community. Thank you in advance.

GREAT time had by all at the CARP SANTA CLAUSE PARADE

Thank you to all the volunteers who graciously
offered their time to help with this very fun event
for the skaters.

The WCSC raised \$100 and collected many food
items for the West Carleton Food Cupboard!
